

# **The Endocrine Nurses Society is proud to announce the availability of a new Travel Grant for 2008.**

**Hurry!! Deadline May 1, 2008.**

## **ENS Travel Grant - Overview**

The ENS mission is to promote clinical excellence through advancement of the science and art of endocrine nursing. Our most important event is the annual Endocrine Nurses Symposium held in conjunction with the Endocrine Society meeting. The purpose of the grant is to enable an eligible member to attend the annual meeting who otherwise would be unable to attend.

The Travel Grant will provide \$500 toward expenses related to attending the June 2008 ENS Symposium in San Francisco. The recipient is expected to attend the entire Symposium including the Business Luncheon where he/she will be recognized and presented the Award.

## **Eligibility**

ENS members in good standing for at least one year are eligible to apply. Preference will be given to candidates not previously ENS funded. Candidates not eligible include board members of the Endocrine Nurses Society, Past Presidents or those receiving significant funding to attend the Endocrine Nurses Society and/or Endocrine Society annual meeting.

## **Guidelines**

The Awardee will be expected to submit a report suitable for publication in the ENS Newsletter after attending the Seminar and based on what is learned. This report will be due no later than August 1, 2008.

Please submit forms along with your current curriculum vitae or resume to:  
[Patricia.Via@va.gov](mailto:Patricia.Via@va.gov). The subject line should be "Travel Grant."

## ENS Travel Grant

Submit for consideration by May 1, 2008 to Research Committee, ENS c/o Patricia.Via@va.gov.

Please print clearly or type.
